**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been so very happy with my internet services through my local carrier, getting good wireless connection and supporting my community, and I want to advocate for continuation of the allowance for competitive choice. We need to avoid being stuck in a unjust and expensive monopoly without tenable alternatives for service!
